Take the **H1-6** from Shingwedzi, turning right onto the **S52**, which loops over the Nkayini River and passes pans, the Red rocks, waterholes and two lookout points near Bataleur Bushveld Camp, before returning to the **H1-6**.

Travelling south from Mopani on the **H1-6**, take the first right turn onto the **S142** and pass the Pioneer Dam and Overnight Hide. There are several waterholes along the road, the last of which is the Notomeni Pan, just before the road turns right into the **S142**, which will return you to the **H1-6**.

Leaving from Mopani Restcamp, the **H1-6** takes you north where the first right turn, onto the **S144** and next right onto the **S143** will take you along the Tropic of Capricorn Loop, down to the Nshawu Marsh. Turning left at the T-junction here, onto the **S50**, drive north and turn right at exit **1.6**, which takes you up to the Shibavantsengele Lookout, at the foot of the Lebombo Mountains.
